2023
END OF YEAR
REPORT

In 2023, GHHS went Back 2 Basics.

We were able to advocate for more than

1000 animals!

Through our adoption program,

501 furry friends

found their furever homes.

We provided pet food for the dogs & cats of over

400 families

through the King's Community Kitchen program.

And,

24 animals

were provided support through the Good Samaritan Fund.

We also worked

closely with local authorities in abuse/neglect cases, provided vaccines for the unhoused pets of Huntsville, and worked alongside other animal rescues and shelters to aid in hoarding cases. Together, these efforts resulted in care for more than 100 community and neighboring county animals!

Nearly 70,000 pounds of pet food was distributed this year.

More than a dozen animal advocacies and local organizations were provided pick-up opportunities and deliveries!

A special thank you to Cadence Bank & Evolve Pet Food for their continuous support in these efforts!

In 2023, our organizational expenses totaled

\$915,001.04

Within the shelter, we cared for more medical case animals than we had in years! Heartworm positive dogs were a large concern, yet animals experiencing seizures, inverted eyelids, amputation, and the heartbreaking issues of animals from neglect and abuse cases living emaciated with sores, tumors, and internal health challenges were all a priority!

2023 Board of Directors

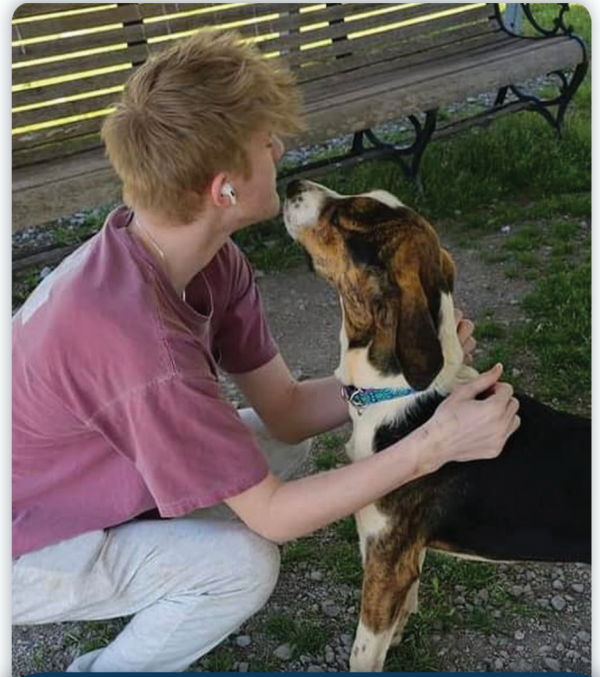

Sandy Edwards, Chair
Tim Hufford, Vice Chair
Tim Randle, Treasurer
Rebecca Davis, Secretary
Dr. Kirsten Jaegerson, DVM, Shelter Veterinarian
Chris Lockwood
Dan Shanahan
Tracy Barrett
Megan Pool
Eugene Cunningham
Shannon Drake

Also, joining the Board of Directors in 2023:

Jenni Feld
Jordan Hennig
Brandon Tucker

Animal Care Committee

Dr. Kirsten Jaegerson, DVM, Shelter Veterinarian
Dr. Lisa Pendergrast, DVM
Pearl Brooks
Michelle Durig
Sandy Howle

5,510
HOURS
OF VOLUNTEER
WORK

for an investment of
\$175,218
back into our Huntsville community.

The Cat Sanctuary

On the GHHS campus, we worked diligently on completing the first cat sanctuary in the southeast region, providing a dedicated adoption and resource center for cats diagnosed with Feline Immunodeficiency Virus and Feline Leukemia. The sanctuary is scheduled to open in February 2024, under the name **Ronnie Hornbuckle's Haven for FIV/FeLV Felines**, thanks to the legacy gift provided by Ronnie who was a lifelong animal lover and advocate in our community.

**Opening
Date is
February
2024!**

We are a private 501(c)(3).

Thank you to The Dog Ball committee for their dedication to supporting the pets of GHHS in 2023!

GHHS is financially supported by generous private donors, grants, and local partnerships! Thanks to our community, our events and campaigns were a success in supporting our mission!

2023 GHHS Fundraisers:

GHHS CLASSIC
GOLF TOURNAMENT

Presented by: **POLARIS**
