# 2025

## END OF YEAR REPORT

# In 2025, GHHS was focused on **MAKING A PAWSITIVE IMPACT**

We advocated for over

## 2,000 pets

through resource programs, neglect/abuse cases, and finding FURever homes for 727 animals in our care. Every rescue and adoption reflects the power of compassion and community working together.

Our life-saving efforts ranged from rescuing dozens of pets from rural hoarding cases, to providing long-term medical care for animals like Belvey and Java, to celebrating the love story of Ginger and Grey, two FIV guests from The Haven who found a home together. Each moment tells a story of hope, love, and trust.

For the second year in a row, medical care has been our focus within the shelter. It was unofficially the “Year of Orthopedic Surgery”, although we also experienced heartworm cases, eye enucleations, and cancer. A combination of routine intake procedures, emergency medical care, and treatment for serious illness and injury totaled more than \$140,000 this year.

## Our Mission

To use rescue, training, adoption, education, and advocacy to ensure the humane treatment and welfare of all animals.

# We provided over 40,000 pounds of pet food to 409 local families and 7 partner shelters through King's Kitchen.

Supported by Cadence Bank, Evolve Pet Food, community partnerships, and fellow animal advocates!

## Monte's Wellness Clinic

Provided by:

SOUTH HUNTSVILLE  
VETERINARY HOSPITAL

In partnership with South Huntsville Veterinary Hospital, GHHS provides a monthly low-cost, routine care clinic for low-income pet owners in the Huntsville community. In 2025, the clinic provided vaccines, microchips, preventatives and heartworm tests to 278 pets.

**In addition, GHHS was able to provide 120 spay and neuter vouchers to owned pets in our community, and 44 emergency medical vouchers, through our Good Samaritan Fund, totaling \$12,000.00. The voucher programs are 100% funded through donations and community partnerships provided specifically for these efforts.**

## 2025 Board of Directors

Tim Hufford, Chair  
Shannon Drake, Vice Chair  
Tim Randle, Treasurer  
Sandy Edwards, Past Chair  
Dr. Wesley Clendinen, DVM, Shelter Veterinarian

Alexis Hayes

# 7267 HOURS OF VOLUNTEER WORK

for an investment of

## \$262,629.38

back into our Huntsville community.

The GHHS Thrift Store

**THREE TAILS RESALE**

In 2025, Three Tails Resale merchandised and sold **145,606 donated items**, generating critical revenue that supported approximately five months of shelter operating expenses.

Throughout the year, the store participated in more than a **dozen local business markets and community events**, promoting both adoptable pets and sustainable shopping practices.

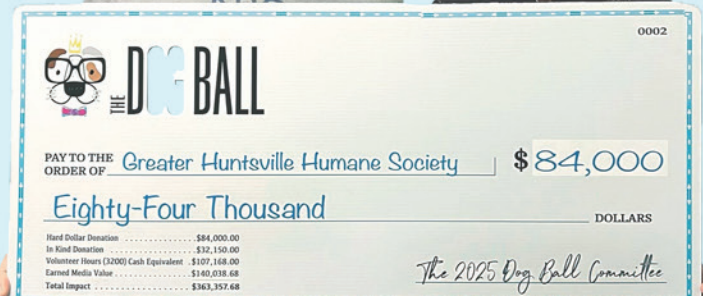

Additionally, more than three dozen volunteer groups, including students from Randolph School and the University of Alabama in Huntsville, as well as organizations such as Realtors in Action and KBR, dedicated their time and talents to supporting GHHS's mission—helping homeless pets one unique find at a time.

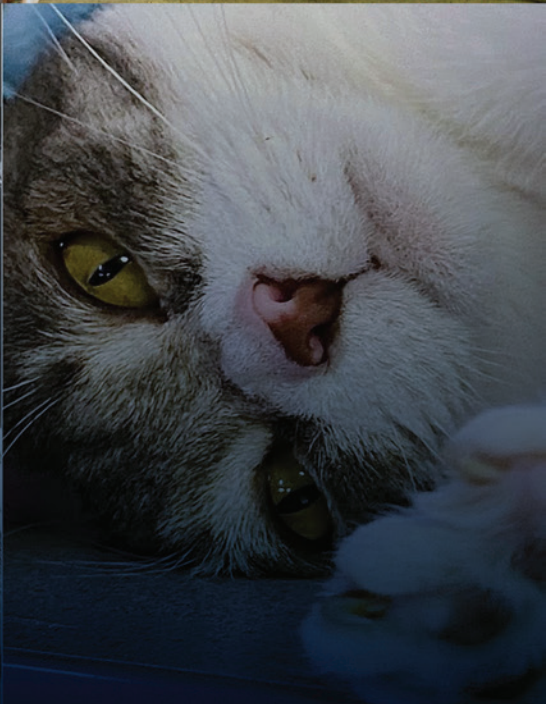

**BIG IMPACT FUNDRAISERS**

<b>Dog Ball</b>	<b>\$84,000.00</b>
<b>Golf Classic</b>	<b>\$24,705.89</b>
<b>Masquerade Party</b>	<b>\$21,387.29</b>
